

## **COVID-19 Update**

Due to the COVID-19 outbreak, we are not currently holding in person meetings or visits at our office and staff are working remotely. We are utilizing Zoom teleconference services to meet with new and existing clients. Our voice messaging system has been updated to that any voice message will be immediately sent via email to all attorneys and staff. We can be reached via email through the yellow “Contact Our Office Link”. If our clients have a legal need that requires an in-person meeting, we will take every step necessary to ensure the safety and health of our clients and staff. Our lawyers and staff are continuing to work full time and will continue to provide the highest quality legal services. Thank you.
